Dear Sir:

I am in receipt of your letter of Feb. 17th, in which you asked if The Newark Eagles could come to your city for an exhibition game of baseball.

I would like to say we made an effort to come to your city to play last year, and were refused permission to use the ball park. At that time our plan was to bring another team of The Negro National League as our opponent.

You spoke of a new park, so I imagine your plan calls for the game to be played in it. How many people does it seat? What proposition would you offer? We are training in Daytona Beach Fla., and if it would be possible to stop in Petersburg I will be glad to do so.

Write me right away, what you are offering. If it is profitable, and we can get the day in our training schedule, I will be glad to do so. Would you prefer having us play the local team, or bring another team from the league? I will appreciate an early reply.

Very Truly Yours
